

# MR. SHEKHAR KUMAR SHARMA

Nepalese | Kathmandu, Nepal | <https://www.linkedin.com/in/shekhardesigner/>

## Profile

---

I am an experienced web developer with over twelve years of work experience. I am very passionate about software user experience and the impact of emerging new web technologies into our world.

Few highlights of my past achievements are:

- Successfully negotiated with regional leaders of Microsoft India to establish a new process of frontend engineering (Design Technologist) into the current solution offering and helped grow the team from 2 members to 8 members.
- Trained and coaches peer in team leading, project estimation, sales process.
- Established the process of code documentation, build automation and code review process for Microsoft India services team.
- Helped Neudesic India team to establish hiring practice and develop interview shortlisting checklist.
